INTERNSHIP

Impacting eternity by equipping individuals to share the Gospel globally.

The goal for interns is to develop boldness, passion, and initiative for sharing Jesus through mission classes, children's ministry, personal study, volunteer activities, and assisting at the training center. We want God to expand your heart and skills by participating in mission work in an urban setting. Our passion is that you would experience personal growth as you move towards what God has called you to be.

These months are not about your comforts or conveniences, but about being the body of Jesus and making Him famous. As you pour time, energy, and love into the people of NYC, you will form relationships that leave lasting imprints on your heart.

Why should you come to NYC?

- Strengthen your relationship with God
- Love and serve others in an urban setting
- Interact with people from many different cultures
- Stretch your comfort zone
- Continue to discover your identity and purpose in Christ

Length of time: Approx. 7-9 months. Exact length of time varies per term.

Budget: Approx. \$950 per month

We are willing to walk along side of you if you decide to come in faith that God will provide the finances.
